

Common assessment specification

Content: six assessment dimensions (D1–D6)

Scope: three reasoning levels (L1–L3)

Each statement records its object, period, sources, statement type and evidence status.

increasing synthesis and evidence requirements →

	L1 State description	L2 Cross-dimensional interpretation	L3 Conditional scenarios	
D1 Resources and soil				applies to expert annotations and model outputs
D2 Field and infrastructure				
D3 Crops and management				
D4 Crop growth				
D5 Yield and stability				
D6 Capacity and potential
